

# ENTERPRISE SMALL BUSINESS

## AWARDS

ANTICIPATED AWARD DATE  
FEBRUARY/MARCH 2023

### OPEN TO ALL SMALL BUSINESSES

These Blanket Purchase Agreements (BPAs) offer small businesses the opportunity to implement innovative approaches to competing through blended solutions and teaming agreements.

### TYPES OF SERVICES INCLUDED

The Acquisition Plan outlines two sets of requirements for two BPAs. The first BPA has seven tasks covering various areas of Information Technology Professional Services to enhance CBP's program and project management to meet emerging reporting and metrics requirements. The second BPA has six tasks covering various areas of Enterprise Application Development (Emerging Technology Data Transformation Development & Maintenance) to enhance CBP's enterprise application development services and emerging technology monitoring.

#### INFORMATION TECHNOLOGY PROFESSIONAL SERVICES

- Portfolio, Program & Project Management
- Executive Administration, Communications and Engagement
- Business Intelligence and Data Analytics
- Business and Technology Transformation
- Acquisition Management
- Records and Information Management Support Services
- Logistics and Asset Management

#### ENTERPRISE APPLICATION DEVELOPMENT (Emerging Technology Data Transformation Development & Maintenance)
